

Announcing the 2010

Morris Rugby

Morris Lions U15's (8-9th Gr.) and U13's (6-7th Gr.) Tackle Program

The defending New Jersey State Champions take to the field this spring, looking toward our fifth season and hopefully, a fifth State title!

The program is designed for players to learn and participate in full contact rugby. The U15's team will be the "first side", and it is our hope that we can arrange a comparable number of matches for the U13's as a "second side" that will play at the same venues. Parents and participants are expected to understand that full contact rugby, at these ages, is still new to our area and that the competition is limited. Morris Rugby is proud to continue our pioneering of youth contact rugby and our mission is to provide a fun and engaging experience for all. Girls in the 6-7th grade wishing to participate, may join the U13s. Older girls are invited to play up for our U19's.
