New Jersey Invitational Tournament Rules

1. All matches will kick-off at the time and place scheduled on the draw, or at the completion of the previous match, whichever is later. Teams which are not ready to play at their appointed time and place will lose the match by default. It is the responsibility of the team captain to be aware of the time and place of the matches in which his/her team is to participate. Players are encouraged to warm-up on the sidelines in order to begin playing directly after the preceding match.
2. All sides must provide their own competent touch judge.
3. All sides should have matching uniforms, full dress. It would be helpful to have an alternate kit available in the event of a color clash between sides.
4. In the event that a player is ordered off the field of play during a match for any reason, he/she may not participate further in the tournament.
5. An appeals committee consisting of the tournament director and two other persons designated by him/her will be set up to handle any disputes during the tournament. The committee's decision will be final.
6. Any inappropriate behavior at the field or tournament party will be reported to the club's local union and will result in banishment from the Jersey Cup in the future.
7. The matches will be played according to the laws of rugby as agreed by the USA Rugby Union, except:
 - a. Men, Women, Old Boys: Each match will consist of 20 minute halves with a five minute interval between halves.
 - b. U19, U15, U13: Each match will consist of 15 minute halves with a five minute interval between halves.
 - c. If there is a tie between two sides in any of the preliminary matches, one 5 minute period of sudden death will be played. If the sides are still tied, a kick-off will determine the winner. If a tie occurs in the final match, 5 minute sudden death periods will be played without interval until a winner is declared.
 - d. Winners of the Round Robin brackets will be determined in the following order: Best record, head to head competition, most points scored, best point differential, number of tries, coin toss.
